

Purchasing and Licensing Zulu

Zulu is only available for FreePBX 13+

Purchase Zulu from the Sangoma Portal

1. First, log into the Portal at <http://portal.sangoma.com>. If you do not have an account, please see [How to Create a Portal Account](#).

Login

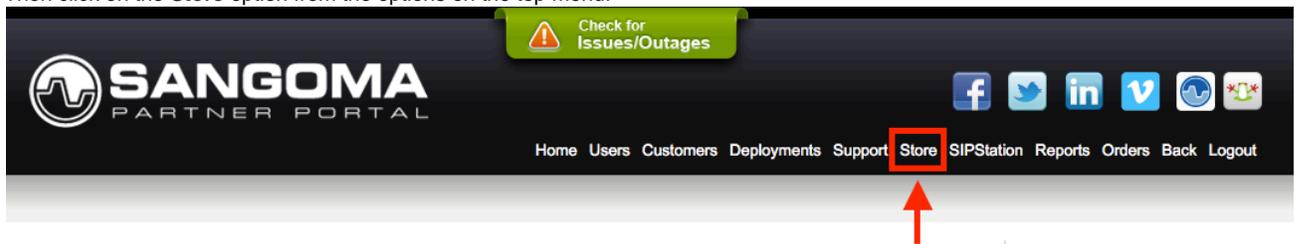

Email Address:

Password:

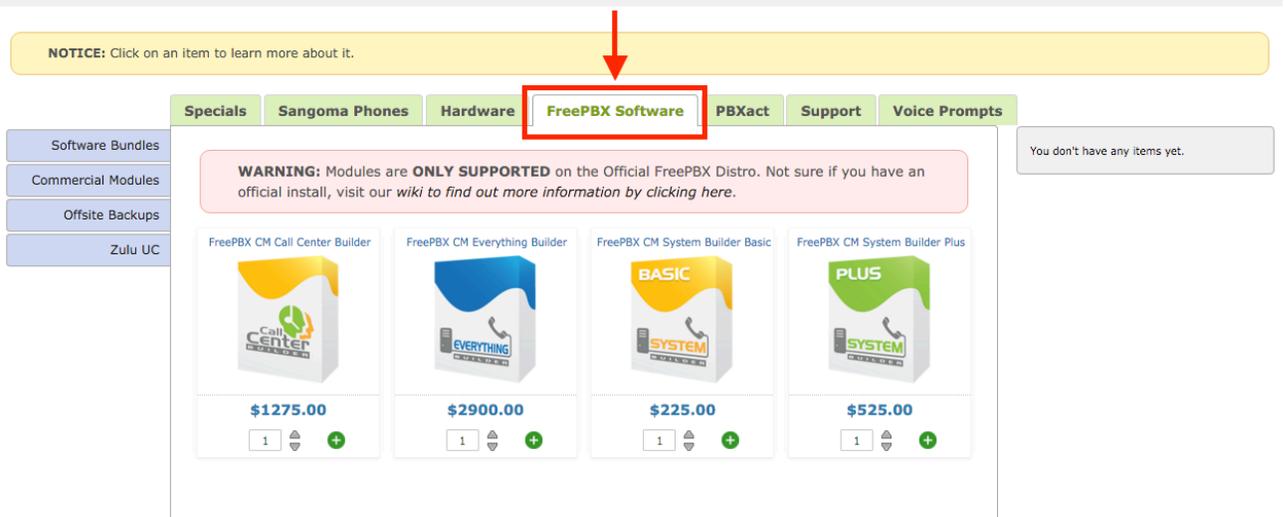

Don't have an account, sign up [here](#)

*Forgot your password? Click the **Forgot Password** button if you need assistance.*

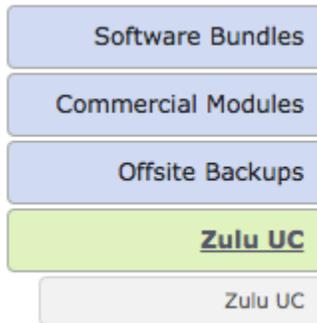

2. Then click on the **Store** option from the options on the top menu.

3. Click the **FreePBX Software** tab in the horizontal row of green tabs. This will take you to the Software Bundles category by default.

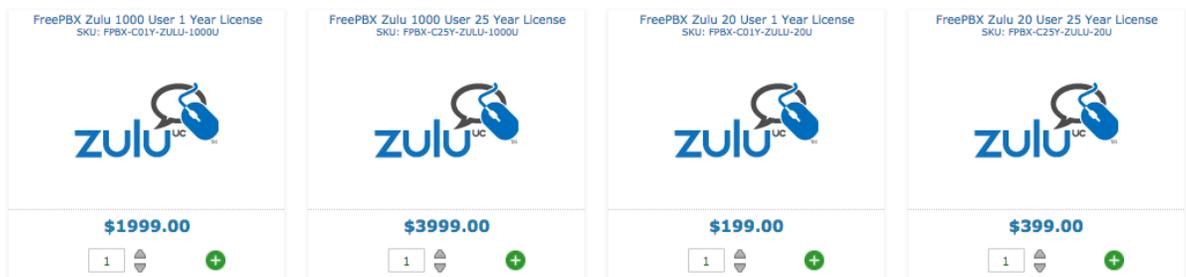

4. Pick Zulu UC on the left side

5. Zulu is sold in 20 user or 1000 user packs and with the following license

1. 1 Year- Allows you to use Zulu and Receive updates for 1 year.
2. 25 years - Allows you to use Zulu for 25 years and receive updates for 1 year. You will need to purchase Commercial Modules Maintenance after the 1st year to receive updates as outlined in our ToS.

6. Add the item to your shopping cart by clicking the green  button.

7. Your shopping cart is shown at the right of the screen. Click on the  button to proceed to the payment process.

Qty	Item Description	Sub-Total
1	FreePBX CM Appt. Reminder 25 Year License	\$795.00
1	Support 2 Hour Block	\$395.00
1	S500 Phone	\$149.00
1	FreePBX CM XMPP Mgmt 25 Year License	\$20.00
Total		\$1,359.00

If the quantity is set to zero, the item will be removed from the cart.

8. Commercial module licenses need to be tied to a PBX Deployment ID. For each item that requires a deployment, you will see a "Search for deployment" drop-down menu.

1. Click **Search for deployment**.

Search

3. Select the desired deployment from the list.

Double-check your selection, especially if you have deployments with similar names or numbers. A license cannot be moved after purchase. Your license will be assigned to the deployment you select.

9. Select your payment method: **Credit Card**, **Wire Transfer**, or **Check**. (If paying by wire transfer or check, instructions will pop up instructing you how to proceed, and orders will not be accepted until payment is made.)

10. Check the box to agree to the Terms and Conditions for all products and services being purchased.

Terms and Conditions

* By checking this box: 1) I understand that products and services provided by Sangoma Technologies (Sangoma) are non refundable except as specified in [section 3 of the Refund Policy](#). Any refunds or credits issued for reasons other than those specified will be at the sole discretion of Sangoma. 2) I understand and agree to be billed by Sangoma, and understand that my credit card statements will list Sangoma for all transactions related to the above charges. 3) I agree and authorize this payment and other charges that result in the use of this service whether enabled through this store, any module in FreePBX (such as but not limited to SIPStation) or other places I can enable services. 4) I agree to abide by the [Terms and Conditions](#) in my use of these products and services.

11. Click on the **Process Order** button to complete your transaction.

Process Order

Update License

1. Log into your PBX GUI and navigate to Go to **Admin System Admin** and Click on **Activation** option on the right side of your screen.

Activation
DNS
DDNS
Email Setup

2. Press the **Check**, or **Update License**, or **Update Activation** button depending on what version of Sysadmin you have installed. The PBX should reach out to our license server and update your licenses to include your new Zulu License

3. Your license should now be updated and show Zulu Expiration date along with how many users you are licensed for.

Zulu	Expiration Date 2041-02-11
Zulu Users	1000

With some routers or firewalls, you may not see the license items get updated after a few seconds, and will need to press the button a second time.
