

# How to Create a Portal Account

The **Sangoma Portal** is your one-stop shop for telephony service, hardware, licensing and support. In the Portal, you can purchase hourly support and support contracts, certified hardware, commercial modules, and professional voice prompts. As an admin, you can also add and manage additional users.

## PBXact Notice

All PBXact and PBXtended systems are ordered through our store. If you purchased a system from a Reseller, your Reseller can provide login information for the Store/Portal.

1. Go to <http://portal.sangoma.com>
2. Click the "here" link below the e-mail address and password area.

The screenshot shows the Sangoma Partner Portal login interface. At the top, the text "Sangoma Partner Portal" is displayed. Below this, there are two input fields: "Email Address" and "Password". To the right of the "Password" field is a blue "Sign In" button. Below the "Sign In" button, there are two links: "I forgot my password" and "Don't have an account, sign up here".

3. Fill out the form and check the "I'm not a robot" box at the bottom.

Be sure to double-check that you have entered your e-mail address correctly.

What can you do in the portal?

The Sangoma Portal is your one stop shop for telephony service, hardware, licensing and support. Whether you are looking for one time support with your existing PBX, or need a support contract or want to purchase certified hardware, or commercial pro modules you're in the right place.

**HARDWARE**  
Purchase hardware including FreePBX Appliances, VoIP desktop phones, wireless phones, door phones and paging devices. FreePBX Certified Devices (Digium, Sangoma, Algo, CyberData, Aastra, Cisco, Grandstream, Uniden and Yealink) for connectivity to analog phone lines and devices as well as digital lines such as PRI's.

**SOFTWARE**  
Purchase FreePBX Commercial Modules, Operator Panels and Certified Software add-ons to add enhanced capabilities of your PBX system.

**SUPPORT**  
Get technical support from our PBX experts! Purchase support credits in 30 minute, 1 hour, 5 hour or 10 hour blocks. Then from within the portal submit and view trouble tickets to have our team of experts provide rapid problem resolution to your PBX or telephony woes.

**POMPS**  
Purchase and renew annual support contracts with our POMPS, Peace of Mind Packages for your PBX server deployments. We offer differing support options from basic support contracts up to 24 x 7 system outage support.

**SIPStation**  
With SIPStation unlimited SIP trunks, you can be making calls from your FreePBX Asterisk based PBX in a few minutes. No contracts, no fuss. Trunks, DIDs, toll-free numbers, e911, faxing and international service, redundancy and fail-over services are directly integrated into the SIPStation FreePBX module.

**PBXact**  
The PBXact phone system is designed for organizations needing a fully featured, commercially supported business communications turnkey solution. PBXact has features and functions closely integrated into many of the most popular phones and endpoints on the market.

**Professional Voice Recording**  
TCertified FreePBX Partner Allison Smith is now offering Professional Voice Recording Services directly in the FreePBX/Sangoma Portal. Allison's voice is pre-installed in the FreePBX Distro, and provides all of the basic stock prompts for voicemail, and IVRs. Purchasing recordings from Allison will ensure all of your system prompts will match the built in recordings and will represent your company in a professional manner.
