

User Control Panel (UCP)

Overview

User Control Panel (UCP) is a replacement for the aging [ARI module](#) in FreePBX starting with FreePBX 12. It currently has the following modules /sections.

- [Home](#)
- [Call History](#)
- [Conferences Module](#) (Only if [Conference Pro](#) is licensed and installed)
- [Fax](#) (Only if [Fax pro](#) is licensed and installed)
- [Presence](#)
- [Settings](#)
 - [Call Forward](#)
 - [Call Waiting](#)
 - [Do Not Disturb](#)
 - [Follow Me](#)
- [SMS](#)
- [Voicemail](#)

You create users and manage their permissions inside the [User Management](#) module in FreePBX

The image shows a login form titled "USER CONTROL PANEL" on a light blue background. The form contains two input fields: "Username" with a person icon and "Password" with a key icon. Below the fields is a "REMEMBER ME" checkbox, which is currently set to "OFF". At the bottom of the form is a "LOGIN" button.
