

Connecting to IRC

Community based support and discussion is provided through the IRC network by way of [Freenode](#). Though staff is present in these channels the support and information provided is primarily from community volunteers who donate their time and skills to assist. Please review the [IRC rules](#) prior to joining. You should also review the [Asterisk community code of conduct](#).

To reduce spam all channels require the use of a registered nickname. To learn about registering a nickname visit: <https://freenode.net/kb/answer/registration>
