

Call History

THIS WIKI IS COMPLETED

The **Call History** section allows you to view missed, received, and dialed calls, as well as add the number to your contacts list, blacklist the number, or call the number.

- Viewing Calls
- Deleting Calls Individually
- Options
 - Detail
 - Add to Contacts
 - Add to Blacklist
 - Delete All
- Dialing a Number
 - From the List
 - From the Call Detail Screen

Viewing Calls

1. Press the **History** soft key.

2. "All Calls" will be shown by default.

1.  = Missed
2.  = Received
3.  = Dialed

3. You can use the < and > (left and right arrow) buttons to filter by call type: **All Calls**, **Missed Calls**, **Received Calls**, and **Dialed Calls**. The current filter option is shown at the top of the screen.

Deleting Calls Individually

1. Use the **↑** or **↓** (up and down arrow) buttons to select a call from the list.
2. Press the **Delete** soft key to remove the call from the call history.

Options

1. Use the **↑** or **↓** (up and down arrow) buttons to select a call from the list.

2. Press the **Option** soft key.

3. Use the **←** or **V** (up and down arrow) buttons to highlight an option, then press the **OK** soft key or the **✓** (checkmark) button to select the option.

Note: Call History Options detailed above are displayed until Firmware version: **X.0.4.67** as described in: [Phone Firmware Release Notes](#). On latest Firmware the options are Detail, Edit before dial and Delete all.

Add to Contacts

You can save contact information such as Name, Number, Mobile Number, Other Number, Account, Ring Tone, Group, and Photo.

1. Use the <> V (arrow) buttons to navigate and the phone keypad to enter text and numbers. To cycle between the numbers/letters/symbols available for each key, press the key multiple times or use the < and > (left and right arrow) buttons. *Tip: The "space" option is found under the "0" (zero) key. You can use the 2ab soft key to cycle among 2ab, 123, abc, and ABC, which are various input options limiting which characters can be entered.*

Delete All

This option deletes all of the calls associated with list that you are currently viewing (**All Calls**, **Missed Calls**, **Received Calls**, or **Dialed Calls**, as shown at the top of the screen).

*For example, if you are viewing the **Missed Calls** page, all of the missed calls would be deleted from the call history, and they will no longer show up here or on the **All Calls** page. However, the other calls (received and dialed) will still appear in the call history.*

Dialing a Number
